3 Declaration

The CWU undertakes a range of political work on issues that affect our members. We've successfully campaigned on issues from pay, pensions and workplace rights, to broader issues like the NHS and housing. In order to continue this work we ask members to make a contribution of 20p per week towards our political fund. Please tick this box to opt-in to this.

Any member choosing not to do so will not, by reason of not contributing, be disadvantaged compared with other members of the Union (except in relation to control of the political fund).

I wish to join the CWU as a retired member and accept its rules.

I authorise the Communication Workers Union to process the direct debit or deduction from my pension as detailed above.

My home address will be my ballot address and I understand it is my responsibility to inform the Union if this changes.
