

THE FIGHT OF OUR LIVES

Royal Mail refuse
to end bullying

The future of Parcelforce
is under threat

The USO is being attacked.
This would cost 20,000 jobs

The legal protections are
under review and Royal Mail
Group want them gone

If we do not win this dispute
then the future is low pay,
insecure employment

Royal Mail Group know
the cost of everything
and the value of nothing

**VOTE YES FROM
SEPTEMBER 24th**
